Dear Friend of Texas Justices of the Peace and Constables:

As you are well aware with the recent state budget cuts across the board, counties (who fund JP's and Constables) have been particularly hard hit. The Texas Association of Counties states, "More than ever before, the complex demands of modern society are focused on our traditional framework of local government - Texas' 254 counties."

The Justice of the Peace and Constables Association of Texas (JPCA), Texas' largest association of county officials, is committed to providing JPs, Constables and their staffs the necessary training and representation to ensure that our colleagues have the knowledge, authority and tools to efficiently carry out their constitutionally mandated duties.

The Texas business community needs to know that they can continue to count on their law enforcement and judicial representatives to provide professional, fair, timely and impartial interpretation and enforcement of Texas laws.

Your support for the JPCA would help ensure that all Texas JPs and Constables continue to receive quality continuing education and effective representation that will make them better public servants. As the judicial and law enforcement offices closest to the people, we appreciate your continued support for our mission to see to it that all Texans receive impartial justice and effective enforcement of judicial orders.

Sincerely,

Constable Chad Jordan
President, Justice of the Peace and Constable Association of Texas, Inc.
